

Massachusetts Bay League

Applying for Membership

While new sailing teams are often formed due to the drive and desire of an individual or group of students, competitive high school sailing is based upon the school. Since commitment and sponsorship from the school is necessary to join the MBL, we encourage prospective new members to involve their school administrators early in the process.

This application for membership to the Massachusetts Bay League should be completed by a school official, such as an athletic director, principal, or headmaster. This application should be accompanied by a cover letter from the school official on school letterhead.

Applications from prospective member schools are considered for approval by the existing membership at the Annual Meeting of the League in late January. Provisional membership may be granted at other times at the discretion of the MBL officers.

More information about joining the League can be found at www.MBLsailing.org/memberInfo.html

Signed applications for membership in the MBL, along with a cover letter, should be sent to the MBL President. Contact information for league officers may be found on the Contact Us tab at www.MBLsailing.org/index.html
