8. FORMAT:

Racing will occur in 4 divisions: 420 A, 420 B, Mercury Gold, and Mercury Silver. **There will be no rotations.**

420 A will sail on the first day of the regatta. 420 B will sail on the second day of the regatta. If there is a shortage of boats, schools registered to race in both 420 divisions shall have preference over teams wishing to race in only one 420 division.

No sailor may compete in more than one division. In the Mercury Gold and Silver divisions, schools may use different sailors on different days.

9. RACING AREA:

All races will be sailed in the Charles River Basin.

10. COURSES:

Based on conditions, the Race Committee will determine the courses. The course may be windward-leeward or port triangle, with or without a windward offset and leeward gate.

11. PENALTIES

Rule 44.1 is changed. **All penalties shall be changed from a two turns penalty to a one turn penalty.**

12. SCORING:

The regatta will be scored in accordance with ISSA Procedural Rules except as noted. Each division will be scored separately using the low point scoring system. The 420 A division and the 420 B division need not have the same number of races.

Overall winner will be determined by the total of a team's ranks in 420 A, 420 B, Mercury Gold, and Mercury Silver. Any tie for overall winner will be broken based on (1) total points, and (2) head-to-head results in each of the 4 divisions. Teams that don't have entries in all four fleets are not eligible for the overall award.

13. PRIZES:

Prizes will be awarded to sailors placing 1st, 2nd and 3rd in each division of the regatta. One prize will be awarded to the overall winning team.

14. RIGHTS TO USE NAME AND LIKENESS

By participating in this event, competitors automatically grant to the Organizing Authority the right, in perpetuity, to make, use and show, at their discretion, any photography, audio and video recordings, and other reproductions of them made at the venue or on the water from the time of their arrival at the venue, until their final departure, without compensation.

15. WAIVER OF LIABILITY:

All teams that are not members of Community Boating, Inc., must provide a signed waiver of liability. Sailing is an activity that has an inherent risk of damage and injury. Competitors in this event are participating entirely at their own risk. See RRS 4, Decision to Race. The race organizers (organizing authority, race committee, protest committee, host club, sponsors, or any other organization or official) will not be responsible for damage to any boat or other property or the injury to any competitor, including death, sustained as a result of participation in this event.
